A pledge is a confidential written promise to give money in the future – it may be a one-off lump sum or installments over a period of time.

It isn't a legally binding contract, and a pledge can be reviewed and changed at any time, and as circumstances change.

Pledges enable the church to plan its long-term finances more effectively and to determine the level of financial commitment we are able to undertake.

'Gift Aid' it: Tax efficient giving - make your gifts go 25% further!

We can claim 25p for every £1 you give or have given over the last 4 years. You must be a UK taxpayer, paying an amount of income tax or capital gains tax equal to the tax we claim on your donation in the tax year. If your circumstances change and you no longer pay enough Income Tax or Capital Gains Tax to cover the amount claimed by the church, you can cancel this declaration at any time by notifying the church. If you are a higher rate tax payer you can claim personal tax relief via your Self Assessment Tax return. If you are married and both pay tax, two separate declarations will need to be made if you wish us to collect tax from both of you. Please notify the church if you change your name or address. See Inland Revenue's 'Giving to charity through Gift Aid' guidelines at <http://www.hmrc.gov.uk/individuals/giving/gift-aid.htm>
